### What we did this week

We practiced writing big Z and little z in our notebooks and practiced saying the sound it can make. We learned that circles have no corners or sides, and no beginning or end. We searched for circles in our classroom, traced circles, made circle bracelets, and thought of things that are round like a circle.

Our Bible story was about Jesus appearing to friends after Easter. They then went and spread the Good News!

We read a lot of books and sang a lot of songs!

Tuesday friends went to the library. Wednesday friends went to chapel/music. Tuesday/Thursday friends went to P.E.

We played outside in the gorgeous weather!

### Notes and Reminders

- Tuesday's hot lunch: hot dogs.
- TOMORROW: International Celebration 1-3pm Saturday, April 15. Come see students' displays, learn about different countries, and try new foods! Students should wear their blue Shine t-shirts that they received on Thursday/Friday. We are collecting donations for Joe Bokay and his Lutheran schools in Liberia. Notebooks, backpacks, pencils, etc.

### Quotes of the Week.

Mia: "I did bring a jacket in case it colds up."

Anna: "I'm all flowered up today."

Vinny: (seeing Miss Molly's sister) "Who's that wonderful girl?"

### Coming up NEXT WEEK

We will review letters A-Z by tracing the letters with q-tips dipped in paint. We will continue our shape theme by learning about triangles. We will learn that triangles have three sides and make a triangle collage. We will also make another special project. We will read books and sing songs about triangles. Our Bible story will be about Jesus ascending into Heaven.
