What we did this week

We used our helping hands to start doing jobs like teacher's helper, line leader, and caboose.

We practiced reading and writing our names and counted how many letters we have in our names. We explored more letters on our magnet boards.

We had our first Bible Story about Jesus loving the little children and made our Bible Story Book covers (PS4).

We played the name game to learn our friends' names. We read a lot of books and sang a lot of songs!

Wednesday friends went to chapel/music and Monday/Friday friends went to P.E.

We played outside and in the gym!

Our first letter of the week will be Aa. We will learn the sounds Aa makes and practice writing it along with other letter work. We will learn about apples! We will look at the different parts of an apple, do an apple taste test, and paint an apple art project. We will read books and sing songs about apples.
