What we did this week

Our first week of preschool was great and we learned a lot about our jobs and rules!

We did some special first day projects, measured how tall we are, and made our helping hands so that we can start doing classroom jobs! PS4 friends made their Bible Story Book cover pages - we will bring these home with a new story weekly starting next week! Please keep the pages in the book in order and we will add to it throughout the year.

We played the name game to learn our friends' names. We read a lot of books and sang a lot of songs! We practiced counting with puzzles, songs, the calendar, and name tags.

Tuesday friends went to P.E.

We played outside and in the gym! We talked about how Jesus loves us! ☺
