### What we did this week

We used our helping hands to start doing jobs like teacher's helper, line leader, and caboose.

We practiced reading and writing our names and counted how many letters we have in our names. We explored more letters on our magnet boards.

We had our first Bible Story about Jesus loving the little children (that includes us)!

We played the name game to learn our friends' names. We read a lot of books and sang a lot of songs!

Wednesday friends went to chapel/music and Tuesday friends went to P.E.

We played outside and in the gym!
