

March 2023

From the Principal's Desk

February was an exciting month at Trinity; the students roller skated for two weeks in the gym. The older grades assisted younger students. You might have caught Mr. Baerenklau and myself roller skating with the students or through the hallways.

February was Heart Awareness Month, and we partnered with the American Heart Association for the Kids Heart Challenge. We raised funds and learned how to take care of our hearts. We had 19 students participate. We raised over \$1700 for the American Heart Association as a school. Our big winner is Penny Woods; in third grade, she raised over \$400. Great job!

In March, we will celebrate Lutheran Schools Week (LSW). We kick off LSW with a Minute to Win It event with root beer floats on Friday, March 3, at 6:30 p.m. The students in fifth through eighth grade are creating all of the games. On Monday, March 6, the theme is underwater, and students are encouraged to wear underwater shirts and accessories. Tuesday, March 7, the students are going to the Shedd Aquarium and are to wear spirit wear (green or Trinity t-shirts). Dress your best will take place on Wednesday, March 8, along with students attending a Lent service and a Lent lunch if you placed an order. Thursday, March 9, is the students' favorite day of the year, PJ day, and the teachers make breakfast for the students. Friday, March 10, is Grandparents and Special Person Day, with the dress theme being cowboys. Wear your favorite cowboy attire to school on Friday. Early dismissal on Friday, March 10, is at 11:30 a.m. The week will finish with the students singing in church on Sunday, March 12.

Blessings,

Julie Messina

Principal
