

January 2023

*From the Principal's Desk*

Thank you to everyone who helped to make the Live Nativity a huge success. We collected lots of food for the food pantries and had many new families come and visit Trinity. We hope to host the Live Nativity again next year.

Don't worry; you did NOT miss the school Christmas Program. With the high winds and dropping temperatures, we thought it would be better to hold Jubilee Christmas when we return from Christmas Break. The program will be on Wednesday, January 11, at 6 p.m. We look forward to seeing you there!

The fifth through eighth grade will attend Walcamp from Tuesday, January 17, through Friday, January 20. They will be participating in many outdoor activities and completing team-building exercises. Keep an eye out for all that they do while they are at camp on Facebook and Instagram.

Blessings,

*Julie Messina*

Principal
