What we did this week

We practiced writing big A and little a in our notebooks and practiced saying the sounds it can make. We learned about how all families are different and talked about who can be in families, where they might live, and what they can do. We counted the people in our families, drew pictures of them, and did a special project about ourselves, as we are an important part of our families!

Our Bible story was about God creating the whole world and everything in it!

We read a lot of books and sang a lot of songs!

Wednesday friends went to chapel/music.
Monday/Thursday friends went to P.E.

We played outside in some very hot, summery weather!
